

Everything You Need to Know

Welcome to Adventure Camp Winter Weekend! Your kids are about to embark on potentially one of the most impactful weekends in their lives. I say that because camp changed my life! It wasn't just the fun, or the teaching, or the challenges... it was the combination of AWESOME leaders SHOWING me how to live for God and the change of environment where living for God was actually the COOL thing to do! That started something inside me that has never gone away... the movement of the Holy Spirit!

It is our prayer that your child experiences that same chance... to see real people living out their faith, and to have a chance to do the same!

CHECK-IN & LOCATION INFORMATION:

Check in for Winter Weekend is on Friday (2/14) between **6:00-6:30pm @ your host home**. This is very different than our summer event. Before the event we will contact you with the information regarding where your child's host home will be.

(If for some reason your child will be late, you need to contact Katrina (765-617-5462) and let him know.)

Basic Information:

MEDICATIONS:

We will have Medical Staff at the entire event. If your child has medications that need to be administered, please be sure it is labeled with the name of the medication, dose, and how often the medication needs to be administered. Please put all medications in a large ziplock bag with camper's name written on the bag. **ALL MEDICATIONS should be given to a group leader upon arriving at your host home.** Our Medical Staff and Group Leaders will make sure medications are taken appropriately. Medications will be returned to parents at pick up or after the event has concluded.

PERSONAL BELONGINGS:

- Please read FULLY the "What to bring" page. ALL ITEMS should be marked with your camper's name if at all possible.
- NO ELECTRONICS... PLEASE... do a pat down of your child if you have to. We simply want them to disconnect from the crazy world... and connect to God!

Baptisms

Every year we offer campers and staff the opportunity to publicly confess and demonstrate their decision to follow Jesus through baptism. We love baptisms at camp and think it's a great thing for everyone to see and celebrate.

In an effort to be prepared we wanted to let you know that for Winter Weekend **we will be doing Baptisms at 4:15 PM on Sunday Afternoon (February 19th).** Due to the logistics of this event, we do ask that only the families of those being baptized attend, as we will not have enough space for everyone at the same time.

If your child has not been baptized, take a moment before Winter Weekend and discuss if this is something they might be considering so you can plan accordingly.
